A left turn here will take you to the lookout and a spectacular view of the Metolius Basin (1/4 mile side trip). To continue the loop come back up Road 650 and continue east on Road 600 then north on Road 1140. At the junction with Road 1490, go west. Road 1490 will take you down into the Metolius Basin. At the junction with Road 14 go south until you encounter Road 1120 heading east. In about 4 miles you will have completed the loop. This route is rated "More Difficult". Be sure and take drinking water.
